SUMMARY

I am a dedicated and ambitious student at Multimedia Nusantara Polytechnic with a strong interest in Technology, Logistics, and Financial Management. My leadership and collaboration skills have been honed through various roles, including Treasurer of the E-Commerce Logistics Student Association, Event Division member in Anagata 2023, and key positions in multiple student events. With a current GPA of 3.91, I have demonstrated academic excellence while actively participating in extracurricular activities. My experience as a Campus Visit Committee member has enhanced my communication and promotional skills. I have developed a diverse skill set encompassing multiple programming languages and frameworks, data analysis, ERP systems, and

multimedia operations. My strong financial acumen, evidenced by multiple treasurer roles, sets me apart. Participation in various online courses and training sessions, including Samsung Innovation Campus and disaster preparedness programs, showcases my commitment to continuous learning and acquiring industry insights.
